

Big "I" WV Partnership Contract 2026

Our Associate and company friends have the option to bundle their membership into different levels of sponsorships, event attendance and areas of participation and recognition. Regular Associate membership is still available, but for those who are willing and able to do more, you have the opportunity to make your presence known.

The Big "I" WV Partners Program is designed to be a one-stop approach to association involvement, saving your valuable time and resources by outlining specific areas of participation for one convenient fee. For a once-a-year fee, you will gain membership, advertising, outlined sponsorships and event registrations all at once.

Benefits to you:

- Easier budgeting because your one-time fee will cover you all year long.
- Associate membership is included at each level of participation, giving you access to discounts and inclusion on the Big "I" WV mailing lists.
- Several areas of recognition (including event signage, listings in publications and programs and logo placement) are designed to help you get more bang for your buck and increase your visibility among the Big "I" WV agent community.
- Varying levels of The Insuror advertising are included to help you reach more agents.
- Depending on your participation level, event registrations and exhibit space is already outlined and included for you - just tell us who will be attending.
- Instead of getting separate sponsorship dollars approved, you will be able to reserve your sponsored events at the beginning of the year, giving us more time and opportunity to give you the credit you deserve in promotional materials.
